

Interview Tips for History Day Project

- Prior to the interview, send background information or a summary of your research to the person you are interviewing along with the questions so they are prepared for the interview. We want no surprises.
- Ask if the interview may be recorded prior to attending the interview.
- Email interviews are acceptable.
- Please be prepared with a note pad, recorder, laptop etc. We do not want to keep the person waiting. They may be on a tight schedule. Remember they are helping us out.
- Remember your manners and appearance.
- Take good notes. Questions and Answers to the interview questions will need to be typed and included with your project board.
