**American Government**

<http://www.socialstudies.abc-clio.com>

---

ABC-CLIO Schools' **American Government** subscription website guides students in connecting the most-talked-about issues of our day with the foundations of government. In addition to daily UPI Washington news, students can analyze political cartoons and learn about different viewpoints through political commentaries. Along with short videos, quotes, abstracts, and more, this website includes comparisons of the United States' and other nations' political and economic systems.

**American History**

<http://www.socialstudies.abc-clio.com>

---

From the explorers of the Americas to today's headlines, **American History** investigates the people, events, and themes of our nation's evolution. Using primary and secondary sources to integrate American politics, science, culture, philosophy, and economics, this authoritative database explores the ongoing development of the United States.

**CultureGrams**

<http://online.culturegrams.com>

---

**CultureGrams** offers concise, reliable, and up-to-date country reports on over 190 cultures of the world. It goes beyond mere facts and figures to deliver an insider's perspective on daily life and culture, including the history, customs, and lifestyles of the world's people.

**NoodleBib 6**

<http://www.noodletools.com/login.php>

---

Generate, edit, and publish an MLA Works Cited list or APA References list that complies with the rules of the current *MLA Handbook* and *APA Publication Manual*. **NoodleBib** takes care of punctuation, alphabetization and formatting, producing a polished source list for import into *Word*.

**Opposing Viewpoints Resource Center**

<http://infotrac.galegroup.com/itweb/glen20233>

---

**Opposing Viewpoints Resource Center** draws on the acclaimed social issues series published by Greenhaven Press, as well as core reference content from other Gale and Macmillan Reference USA sources, to provide a complete one-stop source for information on social issues. Includes access to viewpoint articles, topic overviews, statistics, primary documents, links to websites, and full-text magazine and newspaper articles.

**Science Resource Center**

<http://infotrac.galegroup.com/itweb/glen20233>

---

**Science Resource Center** is an in-depth, curriculum-oriented science database that provides a one-stop resource for all science-related research needs. This resource reflects curriculum trends and focuses on key concepts taught in school classrooms such as earth science, science history, life science, physical science, science and technology, space and much more.

**SIRS Decades** features more than 5,000 hand-selected primary and secondary source articles highlighting key events, movements, people, and places in 20th-century America. Coverage includes documents, letters and memos, editorial cartoons, streaming video, websites, photographs, maps, advertisements, and published articles.

**SIRS Knowledge Source**  
<http://sks.sirs.com>

**SIRS Knowledge Source** is a comprehensive online interface providing integrated access to thousands of full-text articles, documents, and graphics from *SIRS Researcher*, *SIRS Government Reporter*, and *SIRS Renaissance*. Thousands of full-text articles from domestic and international sources exploring social, scientific, health, historic, business, economic, political and global issues are available.

**Student Resource Center Gold**  
<http://infotrac.galegroup.com/itweb/glen20233>

**Student Resource Center Gold** is a fully integrated database containing thousands of curriculum-targeted primary documents, biographies, topical essays, background information, critical analyses, full-text coverage of over 1,000 magazines, newspapers, over 20,000 photographs and illustrations, and more than 8 hours of audio and video clips. Includes *Student Resource Center-Health Module*.

<http://www.teachingbooks.net/signin.cgi>

**TeachingBooks.net** is a timesaving portal to thousands of online resources of book-related resources you can use to explore children's and young adult books and their authors. It provides immediate access to useful materials and exciting programs (short movies, audio book readings, book discussion guides, and more) that add a multimedia dimension to reading in the classroom, library media center, and home.

**Turnitin**

See your classroom teacher for the url.

Recognized worldwide as the standard in online plagiarism prevention, **Turnitin** helps students take full advantage of the internet's educational potential. **Turnitin's** comprehensive plagiarism prevention systems let you quickly and effectively check your work. Every paper submitted is returned in the form of a customized Originality Report. NOTE: Teachers must create a class with **Turnitin** before students can submit a paper.

**World Book Online Reference Center**  
<http://www.worldbookonline.com>

**World Book Online Reference Center** is an excellent source of reliable, easy to understand information for students. *World Book Online* offers all the features of the print encyclopedia plus links to maps, web sites, and other print articles.

**Howard County Library**  
<http://www.hclibrary.org>

Use your **Howard County Library** card and pin number (request a pin number from the library) to access many online reference sources. To locate the online resources, click on "Databases."
