1	18	19	8	19	13	12	1

1. Make sure each player has a set of counters that is different from each other's.
2. Spin the spinner and **add 0 or add 10** to the number that you land on.
3. Choose a space on the gameboard that has that sum on it.
4. Take turns spinning. The first person to cover four in a row wins.

Addition: Add 0 Add 10 / Spinner A

Addition: Add 0 Add 10 / Spinner A
