Directions:

1. Both players spin the same spinner. The person who spins the highest number goes first.
2. Players take turns spinning a spinner - they can choose which one to spin with each turn.
3. Players subtract 0 or 10 from the number they land on.
4. If the difference appears in one of the player's boxes he/she can cross the number off.
5. The first player to cross off all of their numbers wins.
